Electronic Resources
The Student Achievement Center Moodle page hosts a section titled "Career/Job Search Resources" that includes a wealth of professional development articles, resources, and information. This section provides links to MBU internal employment opportunities, the MBU Career Resource Center, and more:

- Resume, CV, and cover letter tips and tricks, examples, and templates
- Sample acceptance, decline, follow-up, and thank-you letters
- Field-specific job boards
- Articles on effective job searching, networking, interviewing, and negotiating
- Articles on entrepreneurship and private/independent practice
- How to build and maintain a professional brand

Seminars, Events, and Other Services
In addition to the items listed below, visit My.Ketchum.Edu and the Student Achievement Moodle page for new and updated offerings. Email notifications are sent to students as additional opportunities develop throughout the academic year:

- Resume, CV, and cover letter review — Email documents to jholmes@ketchum.edu. Documents are reviewed and returned within 2 3 business days.
- Career Services Seminars — Building Your Professional Brand, Resume/Cover Letter Workshops, Social Media as a Professional Tool, Job Search 101, The Art of Negotiation, Networking Made Easy, etc.
- MBU Career Symposium — The Symposium is an annual summertime event for upperclassmen. The event begins with a keynote followed by field-specific professional panel Q&A breakouts and a full-service networking reception. Community professionals, alumni, faculty, and staff are all invited to the reception.
