MBKU Student Leadership Development Certificate Program

This program develops students' leadership skills and serves as a foundation for their involvement in campus life. Students learn to lead with integrity through a combination of academic and experiential learning which prepares them to be engaged and influential health care leaders in the community.

- The program begins with the Leadership Summit held annually in December, followed by regular seminars and meetings. Students participate in leadership and service opportunities and grow and develop as leaders.
- Students who fulfill program requirements are awarded with a Leadership Certificate and presented with a Leadership Medal to wear during commencement.
- The program is open to all first-year MBKU students interested in exploring and developing their leadership skills. For more information regarding application materials and requirements, visit My.Ketchum.Edu.

Peer Advisor Program

Peer advising provides informal, non-academic advice and perspectives about life and learning at MBKU to new students. Peer Advisors are upperclassmen who are committed to leadership. They assist new students transition to informed, successful professional students who are responsible for their own academic goals and professional growth.
