Tuition Prepayment Policy

Any student wishing to prepay his/her tuition for one or more years beyond the current year's tuition may do so at the current year's tuition rate provided that full payment for current year and all other years to be prepaid is received by Student Accounts Services no later than 30 days following the first day of the current year Fall Quarter. Future annual tuition increases will not be charged to those students who have elected to prepay any future full year's tuition.

Any student who is dismissed or officially withdraws from the program, as per the requirements stated in the catalog, will have his/her prepaid tuition returned in full except for the current year's tuition which will be refunded as per the stated policy in the College catalog.

In addition, a student may make partial payments to his/her tuition account as long as the quarterly tuition amount is collected by the due date noted on the attached letter.
