The campus mandatory fees are paid in addition to the above tuition rates.

Depending on the program, the Mandatory Equipment and Materials Fee is prorated and charged quarterly.

* This prorated fee is calculated by adding the total fee for the entire length of the program and dividing this by the proration period (except SCCO Class of 2028 and SPAS Class of 2026).

* The total program fee for SCCO (except Class of 2028) is prorated over ten quarters (first three years).

* The total program fee for SPAS (except for Class of 2026) is prorated over nine quarters (entire program).

** Fees for items distributed in the first year for SCCO (Class of 2028) and SPAS (Class of 2026) will be prorated over three quarters.

The fee for COP is not prorated.
